

PADDLE STEAMER  
DE MAJESTEIT  
2018

# READY for boarding?

# ALWAYS *a* great experience

The best event is organized at the best location.

'De Majesteit', translated as 'The Majesty', from 1926, is the largest sailing paddle steamer in Europe with a glorious past. In the fifties the filmshoot GI Blues with Elvis Presley, was taken on board. Steam is our passion. You will experience this on our remarkable 90-year old piece of industrial heritage. The all over experience is the most important thing! We provide a hospitable and attentive crew. Our kitchen crew uses fresh ingredients to prepare dishes with care and love. You and your guests will leave with a "wow feeling".

'De Majesteit' meets the highest safety requirements.
